

## **Bel-Art**

SP Industries, Inc. (SP – Scientific Products), is a leading global provider of state-of-the-art fill-finish drug manufacturing solutions, laboratory equipment, research, pilot and production freeze dryers, laboratory supplies and specialty glassware. SP's products support research and production across diverse end user markets including pharmaceutical, scientific, industrial, food and beverage, aeronautic, semiconductor and healthcare. Our flagship 'SP' brands Ableware, Bel-Art, FTS, Genevac, Hotpack, Hull, i-Dositecno, VirTis, and Wilmad-LabGlass offer best in class product solutions that make a difference in people's lives and together represent over 500 years of experience, quality and innovation. Headquartered in Warminster, PA, with production facilities in the USA and Europe, in December 2021, SP Industries, Inc, joined ATS Automation Tooling Systems, Inc (TSX: ATA), an industry-leading automation solutions provider.
